FOR
EVERY
READER

With a packed summer of athletics ahead, we have teamed up with Premier Sport to offer you a FREE sports session plus the chance for your child's school to win one of 20 master classes delivered by inspirational athletes. Whether they want to race around the track or hit the high jump, the free events are great for children aged five to 12.

Chewits are supporting Premier Sport, Britain's leading sports course provider, to give more children the opportunity to enjoy up to 50 different sports.

Sky Sports commentator and football legend Chris "Kammy" Kamara is backing Premier Sport's Inspire to Engage holiday courses for children of all abilities.

Chris said: "As a father of two, I know how important it is for kids to get out and stay active. The courses are a great opportunity for kids to enjoy a range of sporting activities during the holidays.

The best part is parents can access a full day of free sport, for which Premier Sport and Chewits should be applauded."

Every second of every minute of every working hour, Premier Sport gets another child active in a wide variety of sports, dance and physical activity disciplines.
