

# Our Sporting Values

**What's important about representing yourself and your school?**

**In our clubs, children will be encouraged to use a range of skills in different contexts, participating in activities that require them to work in teams, follow rules, cooperate, show respect, face challenges and make decisions to resolve possible conflict.**

Participating in these activities will help prepare children and their positive contribution to life in modern India. We have our own 10 Core values which we work from every day but here is our take on the 'Indian Values' linked to our Sport and Activity sessions.

We will encourage children to have an interest in these values and use their involvement in after school clubs and competitions to inform their views through active involvement in fun, creative and exciting activities.

Using our RESPECT acronym, children have a purpose and understanding as to 'WHY' they are competing, 'WHY' they are in a team, 'WHY' they are so important and what their responsibility is when representing themselves and their school!

# Our Indian Sporting Values

## RESPECT...

Yourself, your teammates, your opposition, officials, teachers, environment and resources.

## EQUALITY...

Appreciate others' contribution giving everyone the chance and opportunity to be successful and achieve.

## SUPPORT...

Support people around you when they need it most, thinking of others needs as well as your own.

## POLITE...

Recognise the difference between right and wrong, playing fair & to the rules; accepting decisions; winning and losing with dignity and displaying good manners at all times.

## EXCELLENCE...

Enjoy participating and encourage each other to be the best they can be.

## COURAGE...

Be courageous and challenge yourself – look for ways to overcome difficulty.

## TEAMWORK...

Work together and unite as a team of friends, understanding the impact of your behaviour and action on others in the team.
